Clarín meets your portable and fixed seating needs with unparalleled durability and comfort. Style, color and customization options are endless with these high quality solutions made right here in the U.S.

**Boxx Seats™ Logo Chairs** help promote your team, agency or division. From the vivid, rub-resistant graphics to the rugged yet flexible steel "X-frame" design, these seats are expertly engineered and look great.

**OPTIONS:**

- Back logo imprint
- Seat logo imprint
- Interbrackets – easily connects the chairs
- K-brace – provides extra strength
- Arms

**Folding Chairs** offer ease of portability. Constructed of 19 gauge steel, our double tube and channel frame provides relentless durability and strength. Available in various upholsterys, these chairs easily coordinate with your facility's décor. Ideal for any room, auditorium or assembly area. Storage trucks also available.

**OPTIONS:**

- Interbrackets – easily connects the chairs
- K-brace – provides extra strength
- Upholstery
- Tablet arm

**Multi-Purpose Chairs** are ideal for meeting rooms, training rooms and offices. Available with or without upholstery, the flexible polypropylene shell allows for comfort and durability. Rearrange rooms with ease with these lightweight chairs.

**OPTIONS:**

- Black, gray or tan shell colors
- Upholstery
- Tablet arms

**Fixed Seating** helps keep areas looking tidy and uniform. Great for waiting rooms, lecture halls, classrooms, computer rooms and more, our fixed seating solutions can be customized to fit any space requirements.

**OPTIONS:**

- Beam seating (as shown)
- Fixed table with swing arm seating (as shown)
- Fixed tables only (straight or radius/curved)
- Individual pedestal seating
