PORTABLE SEATING OPTIONS & ACCESSORIES

OPTIONS:

WEATHERFIGHTER:

A new and exciting option for consistent outdoor use; excellent in high humidity areas (tropics, swimming pool areas). The frame of the chair is completely immersed in a solution to retard rust. Marine grade vinyl is used in lieu of the standard vinyl, and a plastic seat is used in lieu of wood. Plastic seat and back inserts are also used to prevent warpage. This treatment carries a 5 year warranty against rust.
